

A LIST OF REVIEWERS OF PAPERS APPEARING IN THE OHIO JOURNAL OF SCIENCE DURING 1974

In order to acknowledge their service to the Journal, a list is annually published of those who have reviewed papers during the previous year. The following list contains the names of those who have reviewed papers that either appeared in the Journal during 1974 or had to be rejected during that time. By publishing this list, the Editor of the Journal wishes to express his appreciation for the cooperation and assistance of each reviewer and of the institution with which he is associated.

This is the first issue of the Ohio Journal of Science in a 2-column format. It has 15 papers and notes—about 25 per cent more material than previous issues.

Your comments are invited on the new format and the additional use of short notes rather than book reviews.
